AUGUST 2019 EVENTS

August 7, 11 A.M.-1 P.M.

Sailor in a Box

National Museum of the United States Navy

Building 76, Washington Navy Yard, DC

Front of Fighting Top

Have you ever wondered how sailors lived aboard ship during the Revolutionary War? What about during the Civil War, or World War II? Come to the National Museum of the United States Navy, in front of the Fighting Top, and see some of the personal items like those that sailors would have used during their time in the Navy.

August 14, 12 P.M. - 1 P.M.

Brown Bag Lecture: Learning War- The Evolution of Fighting

Doctrine in the U.S. Navy, 1898-1945

National Museum of the United States Navy

Building 76, Washington Navy Yard, DC

Museum Education Center

In an era where the United States was becoming increasingly visible in global affairs, the United States Navy would as well. During this time of development, the Navy saw technological and social innovations come to the forefront. Come join us at noon on August 14, 2019 as author Trent Hone discusses those changes, between 1898 and 1945, and the systems that made such change possible.

August 15, 10 A.M.-12 P.M.

Walking Tour of the Washington Navy Yard

National Museum of the United States Navy

Building 76, Washington Navy Yard, DC

Don't miss this opportunity for a tour of some of the Washington Navy Yard and to learn some of its interesting history. The tour is limited to 10 people, and you must be registered. For more information, contact Director of Education Thomas Frezza at Thomas.Frezza@navy.mil.

August 21, 10 A.M. - 2 P.M.

Full STEAM Ahead: Gun Drill

National Museum of the United States Navy

Building 76, Washington Navy Yard, DC

Home school students and families are invited to a day of hands-on science! Students will have a variety of activities to choose from, and project complexity will vary, bringing challenges for students of all ages. The theme for this month will be "Gun Drill!" Families will learn about Cannons during the age of sail, and will work together as a team to load and "fire" one. Then they will move forward in time and work together as a team to operate a gun from WWII.

For more information, please call our Director of Education, 202-433-4995.
